1 Install a crypto wallet

🔐 **Seed phrase = your house key**

Use MetaMask, Trust Wallet, TokenPocket or Binance Wallet with BNB Smart Chain

Write your seed phrase on paper and keep it yourself. Never photograph or send it

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase

2 Get USDT and BNB

USDT · BEP20 + BNB ⛽

USDT (BEP20) for your purchase, plus about 0.002–0.01 BNB for gas

When withdrawing from an exchange, choose the BSC (BEP20) network only

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase

3 Open your sponsor's link

aoneplatform.app/join?ref=0x...

Open the link your sponsor sent you in your wallet app's browser

Your sponsor and team side cannot be changed later. Check before joining

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase

4 Connect your wallet

Connect wallet

Tap "Connect wallet" and choose your wallet app

Sign a message to log in. No gas fee and no money is sent

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase

5 Check your sponsor

Sponsor · 0x8a6D...87CE

Make sure the wallet in the "Sponsor" box is the person who invited you

If not, close the page and open your sponsor's link again

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase

6 Choose an amount

Choose an amount

Pick an amount card or type the USDT amount yourself

Your purchase is a licence to E-Books and digital products, not an investment deposit

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase

7 Set a username

Username: @yourname

Choose a username, bound to this wallet

It is used in your referral links and team page

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase

8 Approve USDT

1. Approve 100 USDT

The page checks: BSC network, enough USDT and BNB

Tap "1. Approve" and confirm in your wallet app (small gas fee)

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase

9 Join, and you're done!

2. Join ✓

Tap "2. Join" and confirm in your wallet app again

See your team tree and copy your referral link on the dashboard

⚠ Digital assets carry risk · Not fundraising · No ROI · No guaranteed income · The team never asks for your seed phrase
